

Healthcare Support From the Comfort of Your Home

Fast. Simple. Secure.

Getting healthcare documentation shouldn't require weeks of waiting, multiple appointments, or unnecessary travel.

Refua connects Canadians with licensed healthcare professionals through secure virtual appointments, making it easier to access healthcare support and medical documentation from anywhere.

Whether you need help with disability applications, insurance forms, workplace accommodations, or medical reports, Refua provides a streamlined online experience built around your convenience.

No waiting rooms. No unnecessary travel. No complicated process.

Healthcare Made More Accessible

Refua is designed for Canadians who:

- ✓ Have difficulty leaving home due to illness, disability, chronic pain, or mobility challenges
- ✓ Care for a family member and struggle to find time for appointments
- ✓ Don't have access to a family doctor
- ✓ Face long wait times for healthcare appointments
- ✓ Need medical forms completed promptly
- ✓ Require documentation for disability, insurance, school, work, or government programs
- ✓ Live in communities with limited access to healthcare providers
- ✓ Prefer a simple, secure online healthcare solution

If accessing healthcare support has become frustrating or difficult, Refua may be able to help.

How Refua Works

Supporting Healthcare Professionals

Canada's healthcare professionals face growing administrative demands that take valuable time away from patient care.

Refua helps streamline paperwork, simplify documentation requests, and provide professionals with efficient tools and fair compensation for their expertise.

When providers are supported, patients receive better access to care.

Building the Future of Healthcare Access

Healthcare is changing. Refua is continuously expanding its network of professionals, enhancing its technology, and introducing new services to better serve Canadians.

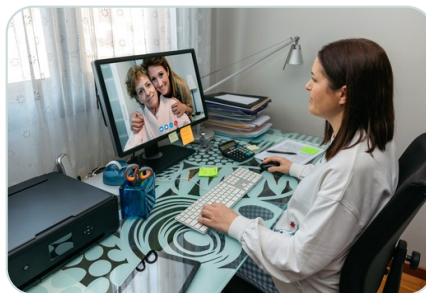

Our mission is simple:

To make healthcare support easier to access, understand, and complete.

Our Vision

To become Canada's most trusted healthcare support network.

A future where every Canadian can access healthcare support and documentation quickly, securely, and confidently, regardless of where they live or their ability to travel.

Trusted by families. Supported by professionals. Built for Canadians.
